

DESIGN YOUR SPA GETAWAY

Personalize your Spa experience by selecting the treatments that suit your wellness and beauty objectives, from our curated list of **50-minute treatments.**

FACIALS COLLECTION

Diamond Whitening

Depigmentation is based on three pillars: renewing, depigmenting and illuminating.

Skin Confort

Ideal for skin types that present conditions such as red spots, dilated capillaries or inflammation.

O2 Relax

Especially beneficial for dull or dehydrated skin.

Marine Collagen

Repairs the skin and improves its elasticity, reducing expression lines.

After Sun Facial

Leaves your skin fresh, cool and moisturized, reduces signs of aging and less sensitive skin conditions.

Men's Facial

Helps to reduce the discomfort caused by daily shaving and bring back firmness and a healthy glow.

Skin Repair

Prevents skin damage caused by UV radiation while improving skin tone, elasticity and smoothness.

MASSAGE COLLECTION

Relaxing

Relieves tension and improves circulation.

Personalized

Different techniques such as Swedish, antispasmodic, deep tissue and trigger point, are applied according to your special needs.

Hot Stone

The warmth from the stones penetrates throughout the body to dissolve stress and tension on contact.

Mother to be

Focus on key areas of particular stress, such as the lower back and legs.

Essential Head & Feet

Relieves mental stress with Indian and Asian techniques.

Back Neck & Shoulders

It not only relieves fatigue and tones muscles, but positively affects the entire body.

Reflexology

The focus is on "reflex points" on your feet that relate to specific organs and glands in the body.

BODY RITUALS COLLECTION

After Sun Tepezcohuite

First aid after a day of overexposure to the sun. A special refreshing pause for your skin.

Lavender Body Wrap

Helps rebalance and restore your skin with an aromatic lavender lotion.

Vitamin C Body Scrub

Renews the surface of your skin, instantly brightening and unveiling an unparalleled velvety feel.

Mango Coco Body Scrub

Extraordinary properties: anti-inflammatory, healing, soothing, protective and moisturizing.
